

RCHM 中醫藥協會

Register of Chinese Herbal Medicine

Would you like to be a FRIEND OF THE RCHM?

- The 'Friend of the RCHM' membership category is open to any member of the public who has an interest in the practice of Chinese herbal medicine in the UK, except for students of or current practitioners of Chinese herbal medicine. For students there is a separate membership category. Practitioners of other therapies are welcome to join.
- As a Friend you will be sent any general information mailouts from the RCHM, including the excellent bi-annual RCHM Journal which will keep you abreast of recent developments affecting Chinese medicine and tell you about Chinese medicine courses should you wish to train.
- As a Friend you will not be listed on the Register of Members and cannot use the designation MRCHM, however you will receive most of the information sent to registered members and you will also know that, for a very modest fee, you are supporting vital work in advancing the cause of Chinese herbal medicine in the UK.

The 'Friend' membership fee is £36.00 per full year for residents of the UK. For overseas applications please apply to the RCHM office for fees, which will be calculated according to postal rates. Thank you.

Please complete the attached application form and remember to include a cheque for the appropriate fee, made payable to 'RCHM', and send it to RCHM, Office 5, Ferndale Business Centre, Number 1 Exeter Street, Norwich, NR2 4QB. Thank you.
